

THANKS FOR YOUR ORDER!

A quick note, I've tried to make it as simple as possible to place and pay for your order. But the one thing I couldn't do is accept payment through the website. I've tried several ways, but I cannot do this without it automatically charging you tax and a fee per transaction on my end. I don't want to go that route with this as it is my goal to keep it simple and to donate as much as possible to the shelter. However, if you don't mind taking the extra step, you can go to my **PayPal** or **Venmo** accounts to pay for your purchase, you will get a receipt with your order. The links are listed below. Also, if you'd like me to deliver to you in person, (locally) I will accept **cash**.

Once your payment is received you will be notified, and your order will be prepared and shipped, or you will be contacted to schedule a home delivery.

Thank you for supporting our cause!
